(Environmental Assessment Condition 12)
MOE File No.: EA-08-02**

The Regional Municipality of Durham and the Regional Municipality of York submitted the revised Air Emissions Monitoring Plan (AEMP) on February 11, 2013, following extensive consultation with Ministry of the Environment (MOE) staff on various technical aspects of the AEMP. In accordance with EA Condition 8.8 (g), the Energy from Waste Advisory Committee (EFWAC) was provided an opportunity to review and comment on the AEMP. The AEMP comment and response table was forwarded to the MOE on August 31, 2011.

At the February 12, 2013, EFWAC meeting, the EFWAC members were provided copies of the revised AEMP and advised that the amendments were in response to the consultation with MOE staff concerning various technical aspects of the AEMP. Further, a motion was passed to allow an additional review of the plan, in particular the revisions requested as a result of the consultation with the MOE. Therefore, please be informed that additional comments may be forthcoming from the EFWAC members following the February 28, 2013, comment deadline.
