Dear Ms. Januszkiewicz and Ms. McDowell

RE: Durham/York Energy from Waste Project – Request for Revised Submission Date for the Third Party Independent Audit Report #4 Environmental Assessment Condition of Approval Number 16.5

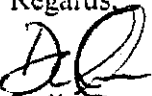

Thank you for your letter dated January 21, 2014, requesting a revision to the submission date of the Third Party Independent Audit Report #4 (Report) from March 15, 2014 to April 14, 2014, to accommodate the construction schedule.

I have reviewed the ministry approved Construction Phase Audit Plan (Plan) submitted as per Condition 16.3 of the Environmental Assessment Condition of Approval. This Plan identifies proposed audit submission dates to align with construction milestones, and also identifies a commitment to submit all audit reports to the ministry within 10 business days of the audit completion.

I agree to the revised submission date of April 14, 2014, to ensure the Regional Municipalities of Durham and York meet the Plan commitments.

I look forward to reviewing the Report. If you have any questions, please do not hesitate to contact Dave Fumerton at (905) 427-5626 or by email at dave.fumerton@ontario.ca

Regards

per
