Jan. 24, 2013	Project web email	██████	<p>Hello,</p> <p>My name is ██████████ and I am a Courtice resident. I am enquiring on how I can apply for a position with the Durham York Energy Centre?</p> <p>Kind regards,</p>	P	<p>Good day,</p> <p>Thank you for your interest in our facility. The Region has awarded the contract to Design, Build and Operate (DBO) the EFW facility to Covanta Energy Corporation following a public procurement process. As the Design Build Operate (DBO) contractor to the Regions, Covanta is responsible for the procurement of equipment and the hiring of all subcontractors and admin and operations staff. I have provided the contacts for Covanta representatives below. Please feel free to follow up with them on employment opportunities. Please note the facility will not be operational until early 2014.</p> <p>Please follow up with: Joey Neuhoff, VP of Business Development Covanta Energy Corporation 445 South Street Morristown, New Jersey 07960, USA E-mail: jneuhoff@covantaenergy.com 862-345-5104</p> <p>or Warren Fisher, Project Manager Covanta Energy Corporation 445 South Street Morristown, New Jersey 07960, USA wfisher@covantaenergy.com</p> <p>Regards, Project Team</p>	Jan.24, 2013	LW
Jan 30, 2013	Project web email	██████	<p>Hello,</p> <p>I am the President of ██████████. We have supplied multiple truck scales to Durham Region in the past, most recently two 11'x80' scales at the 459 Gerrard Rd facility in 2009. We are also the service provider for all of the Region's truck scales.</p> <p>Typically incinerator facilities like the one under construction will utilize truck scales to charge fees and monitor the amount of incoming materials.</p> <p>My question today is</p>	P	<p>Hello ████████,</p> <p>Thank you for your interest in our facility. Yes, there will be scales installed at our facility. Our DBO, Covanta is responsible for the procurement of all equipment and the maintenance of the facility. Below are several contacts from Covanta which may be able to best answer your questions. In addition, I have copied the current acting project manager of construction, John Hackney, in my response.</p> <p>Please follow up with: Joey Neuhoff, VP of Business Development</p>	February 6, 2013	LW
